Dear Mr. Martinez Sandoval:

Each academic year we ask students admitted to MIT to share with us the name of a teacher who has been especially influential in their development. It is a remarkable achievement and a great honor to change a life, so we congratulate you on being named this year by Juan Ortiz Rhoton.

Most importantly, thank you for your time, patience, expertise, love, discipline, and all the other qualities which have made such an important impact on your students. All of society benefits from the wonderful work you do.

Congratulations again on your excellent work! We at MIT are deeply grateful.

Sincerely,

A handwritten signature in black ink, appearing to read 'Stuart Schmill'.
